## Chamber Chatter

By IRENE GROVE

I hope you all had the opportunity to catch your breath and relax over the nice long Labor Day Holiday, because there is a busy time ahead for your Chamber of Commerce and the city of Albany.

There is no reason for anyone in our city not to add to their knowledge, learn new skills and become better informed and educated . . . Albany residents are fortunate to have the opportunity of having one of the finest Adult Education facilities in the country. The new fall quarter of classes for Albany Adult Education begins September 12 . . . Excellent courses are being offered for all interested groups so plan to register.

With September comes another important project . . . the Bay Area United Crusade begins this month. The Alameda County Kick Off Dinner is slated for September 15 with the official opening of the campaign set for September 19.

Work and planning for this most important event began many months ago for Albany civic leaders. A double barreled job is in the most capable hands of Len Pecchenino of Sid's Stores, who is Campaign Chairman for Albany and also head of the Commerce and Industry Division. Co-chairman is Claude Daughtry of Daughtry Realty. Wilford Tracy and Robert Dennis are chairman and co-chairman of the Public Schools Division and Jack Wright, City Engineer, head of the City Employees. Henry Albrecht of American Trust is chairman of the Business Division.

Mrs. Lee A. Seidell and Mrs. Eldon Wolf are busy soliciting help in the Residential Division and need more volunteers . . . so give them a call, girls, if you can assist in this most worthy cause.

Remember the United Crusade is not a remote organization that supports agencies foreign to our everyday lives but something that affects each and every one of us . . . It has been said that if every home that has ever been connected with a United Crusade agency would turn on their porch light at a given time that the whole city would be ablaze with lights. What homes have not been touched by activities of the Girl Scouts, Boy Scouts, Campfire Girls, Family Services, our own YMCA, Children's Hospital, Travelers' Aid Society, and the many, many others that play such a vital part in our lives.

We are happy to announce that you are all invited to an Open House for our own Assemblyman Don Mulford at his headquarters at 904 San Pablo Avenue, from 7 p.m. until 10 p.m., Thursday, September 8. Don is an old friend to most of Albany but let's take this opportunity to get better acquainted.

## Many Violators Of Turn-out Law, Reports Patrol

Many motorists are not complying with the "turnout" law on two-lane highways, reports the California Highway Patrol.

Reports from the mountain areas of California show that a large number of drivers are not yet acquainted with this provision of the law, even though it has been in effect for almost three years, and applies to automobiles as well as commercial vehicles.

The turnout law requires "slow moving vehicles, behind which five or more vehicles are formed in line to turn off the highway at the nearest place designated as a turnout" to permit the cars being held up to pass.

The law defines a slow moving vehicle as "one which is proceeding at a rate of speed less than the normal flow of traffic at the particular time and place."

Purpose of this law is to reduce the number of head-on collisions on two-lane mountain roads. "Too many motorists get impatient at being delayed and gamble that they can get around the slower vehicle. Far too often they don't make it and the result is injury or death to themselves or some innocent victim."

September 1, 1960

Editor, Albany Times:

As a member for nearly fourteen years of our sorely pressed Albany citizenry, I take exception to Mayor Zahn's statement, Thursday morning, that "decent people stayed home" from Monday night's council meeting at Marin School.

I don't know exactly what the word "decent" entails in Mrs. Zahn's vocabulary, but it is my observation that the "unruly mob" as she termed it was almost entirely composed of loyal, hard working selfless Albany citizens deeply concerned with the future of their city. They were school officials, teachers, business people, women PTA workers, and Dad's Club officers, Boy and Girl Scout leaders, "Y" leaders, United Crusade, Red Cross, etcetera drive volunteers — all believers in the development of good character in the future leaders of this community and willing to put hard work into it on their own time.

The teenagers claimed by Mrs. Zahn in one statement to the papers, to be in the majority, were a handful of quiet well-behaved young people VERY close to voting age. Time passes fast and these youngsters will not make the same mistakes their elders did!

In a third instance, Mrs. Zahn called the crowd "out-of-town people". The very few who qualified for that category were a small group front and center apparently supporting Mr. Boyich.

Mine is only one small voice from the ranks of Albany's "decent" citizens. At least I humbly hope I may be classified as such. Mrs. Zahn should realize that even decent people cannot be expected to be saints nor have the patience of Job under the circumstances that are now running rampant in Albany.

Respectfully,
Mrs. Carl Fosselius
711 San Carlos Avenue
Albany 6, California.

September 7, 1960

Editor, Albany Times:

In the Tuesday, August 30th edition of the Berkeley Daily Gazette an article concerning the overcrowded Albany City Council meeting of Monday, August 29, quoted Mayor Zahn as saying "We are faced with teen-agers coming there, and coming in there to heckle so the grownups can't get in". Being present at this meeting I saw for myself the actions of the 500 citizens that Mrs. Zahn called "a hysterical mob". While standing on the sidelines I was able to view the audience, and took careful note that there were many teen-agers and young people present. Mrs. Zahn is completely wrong in referring to the teen-agers as "hecklers". Many of them were there with their parents. It should be remembered that they won't always be teen-agers, and they will soon have the right to vote. Isn't it all well and good for them to attend these meetings so they won't make the mistakes their parents made in recent elections?

To The Editor,
Albany Times:

Cuba has nothing on us. It CAN and HAS happened here.

Our mayor, a self-styled "Femme Fidel," has announced she will tolerate no more personal attacks upon her recent appointee, BUT there seems to be a different set of rules for Mrs.

PAUL R. BOYICH

**Appointed to fill the vacancy in the Albany City Council created by the resignation of Raymond Cirimeli be ause of ill health. He resides at 721 Adams Street, in Albany.**

## Mayor Zahn Names Boyich To City Council

At a special meeting of the Albany City Council held in the council chamber on Thursday morning, September 1, Mayor Zahn formally appointed Paul R. Boyich to the vacant spot on the council.

Boyich, who ran fourth in the city election in April, has been supported by the mayor in spite of vigorous opposition. This continued up to the last with the reading of several petitions, totaling more than 300 names, which had been overlooked at the regular session the preceding Monday night although it was on the agenda.

The new councilman, who is 49, listed as a hotel maintenance engineer, lives at 721 Adams Street. He was Mrs. Zahn's appointee to the Civil Service Commission in the fall of 1959, and came into the public eye when he was removed from the commission by vote of the other members of the council following a dispute over methods of procedure. Boyich was appointed to the Planning & Zoning Commission by Mrs. Zahn on her election as mayor in April.

Boyich was immediately sworn in by City Clerk McLean. The mayor then called for the election of a vice-mayor and Councilman Boyich nominated Councilman Carlevaro, who was elected. The mayor then named Councilman Boyich as a member and chairman of the Parks and Recreation Committee, and of the Health Department Committee; the Finance Committee is to be Councilman Carlevaro, chairman, and Councilman Lewis M. Howell; the Police Committee to be headed by Councilman Carlevaro as chairman, and the Street Committee the same. Councilman Jerome Blank is chairman of the Fire Department Committee. The mayor also named Horace N. Faulkner of 982 Tulare Avenue, to the Planning and Zoning Commission.

Councilman Boyich then presented his nominations to various committees: Park and Recreation, Nina Innes, 975 Ventura Avenue; Planning and Zoning Commission, Ruth Young, 984 Tulare Avenue; Civil Service Commission, John Connors, 1118 Curtis Street; Traffic and Safety Commission, George Johansen, 720 Adams Street.

## Democrats Plan Hot Dog Dinner

Albany Democratic Club members and their immediate families are inviaed to a hotdog dinner to be held at Terrace Park, September 13, 6 p.m., under the supervision of Social Chairman Alberta Romero.

At 8 o'clock the same evening, the public is invited to attend the club's monthly business meeting to be held at Cornell School, when Bob Smith will speak on "Issues" in the Presidential Campaign, as related to the National Democratic and State Democratic platforms. Basing his talk on the AFL-CIO Convention held recently in Sacramento, Smith will state reasons for stands taken on California Water Bonds, Organization of Farm Workers, Medical Care for the Aged, and any other actions he thinks would be of interest to the club.

## COUNCIL HAS MANY PROBLEMS

Following the controversial sessions of the Albany City Council on Monday, August 29 at the Marin School auditorium, and on Thursday morning, September 1, many citizens planned to attend the first five-member session in some weeks on Tuesday evening.

Comment widely overheard among citizens was resentful over what was termed dictatorial tactics of Mayor Zahn in presiding over the meetings, especially the September 1, special session at which she announced her appointment of Paul R. Boyich as her replacement for Raymond Cirimeli, resigned because of ill health.

This week's council session, occurring after the Times had gone to press, had a somewhat crowded agenda, but little of a controversial nature. Among interesting items were:

S.F. Bay Area Rapid Transit District tentatively approved plans for routes, rights-of-way, terminals, stations, yards and other facilities. These plans definitely affect the City of Albany.

Also a proposed charter amendment, suggested by Mrs. Zahn, to be placed on the ballot in November — "Do you approve that a contractor, carpenter, or real estate man be appointed by the city council to serve as a member of the Planning and Zoning Commission".

## Many Classes Being Set Up at Albany Y.M.C.A.

Judo, swimming and craft work were only a few of the classes being set up today by the Albany YMCA to keep youngsters actively engaged during the Fall.

Elmer Coble, executive secretary of the branch, said a complete physical program will start next Monday for boys and the one for the girls, the following day September 13.

Judo classes for boys 10 years and older will be held each Friday evening Coble said.

Swimming instruction for beginners, intermediate, advanced, and life saving and water safety, will begin at 8 a.m. on September 17. A special synchronized swim program for girls will open on September 15. Coble said all instructional classes will last for 10 consecutive weeks.

Promotional emblems and certificates will be awarded youngsters who complete the classes.

Coble said a new craft room at the Albany YMCA will provide ample opportunity for boys and girls to learn new art and craft skills. The facilities for this phase of entertainment have now been opened.

Youngsters interested in any of the Albany YMCA's Fall programs should register at the branch as soon as possible.

## Festival Theatre Run Continues

The American Human is becoming a well-known figure in Marin County this summer where his virtues are extolled and his foibles enjoyed in Festival Theatre's riotous Straw Hat Revue, "The Face Is Familiar." Over 4,000 Bay Area theatre-goers have flocked to The Theatre on the campus of the San Francisco Theological Seminary at San Anselmo where the professional staff of Festival Theatre appears four nights weekly in the new revue by Elizabeth Berryhill. The run of "The Face Is Familiar" has been extended through September. Performances are Wednesday through Saturday evenings beginning promptly at 8:30 p.m.

Because The Theatre is located on tax-exempt property, there is no admission charge for the Revue; however, the hat is passed after an hilarious fund-raising speech by Louis Bennett, and all contributions are used to pay production costs and salaries of the full-time company of actors.

## Letter to Editor

(Continued from Page 1)

Zahn. There are few in the employ of the city who have escaped her vicious wrath and abuse. Private citizens voicing opinions have been publicly subjected to ridicule, abuse, and threats of arrest.

315 citizens signed petitions to ask for an impartial investigation of Paul R. Boyich, but the petitions were completely disregarded by the Mayor and one other council member. WHY?

We are not satisfied with the vague and ambiguous explanations offered by Mr. Boyich in reply to the evidence against him. We maintain that if this information had been available to Albany voters in April, this man would NOT have placed fourth, despite Mrs. Zahn's unqualified endorsement and impassioned pleas for his election.

Is this America or Cuba? Are we free citizens or ""subjects?"

Voters of Albany, have you had enough?

John B. Larimer
835 Key Route Blvd.,
Albany, Calif.
Elda D. Foott
635 San Gabriel,
Albany, Calif.

Editor, Albany Times:

Registration is a system to insure that voting qualifications are met. Some may consider it narrow and limiting but registration is really a safeguard. It prevents multiple voting by those who would rally to the old time politicians' cry, "Vote wisely and vote often."

Don't think that your one vote doesn't mean much. Had you voted last April in Albany more than 400 of the adult citizens could have been calmer today. The bitterness and wrangling which is keeping residents of Albany in a turmoil might have been avoided if more registered voters had taken time to vote. Certainly less than 3,000 votes cast in more than 40 precincts reflects inertia. When November 8, 1960 arrives, let us each be registered to vote, qualified to vote wisely on candidates, amendments or any other measures on the ballots, AND THEN LET US VOTE.

The responsibility is ours, yours and mine, to register and vote. If we do not accept our responsibility toward good government we deserve to be governed by the less qualified candidates, pay taxes for no value received and to burden future generations with our folly.

California became one of the United States on September 9, 1850. California was admitted as a "free state." Let us remember that freedom is our most precious possession!

Mrs. Edith R. Sheriff
700 Washington Ave.

## Albany Plans New Class in Cooking

Cooking for reducing diets and for diabetics and other special dietetic requirements is included in the new cooking and baking class of the Albany Adult Education Center, 603 Key Route Boulevard. It is scheduled for Wednesday evenings, 7 to 10, starting September 14. Taught by Mrs. Marjorie Heid and open to the enrollment of all adults regardless of residence, this course has as its primary aim the preparation of both family and special-occasion meals, with emphasis on techniques, short cuts, substitutions and variations of basic recipes. Both foreign and American regional dishes will be featured, and special attention will be given to menus and service for entertaining.

"How to plan meals in the interest of family health and enjoyment will help the homemaker perk up everyday menus so that every meal can be an adventure in good eating," says Mrs. Heid, who worked in the preparation of the Women's Home Companion Cookbook and who previously had a one-hour daily TV show in the East, called Marjorie Heid's Food Kitchen.

## Albany Course In Woodworking

## Fosselius Tells of Scout Jamboree at Colorado Springs

George Fosselius, Eagle-explorer member of Marin Dad's Club Boy Scout Troop 42 was invited to speak at the Berkeley Rotary Club's weekly Shattuck Hotel luncheon recently about his experiences at the Boy Scout Golden Anniversary Jamboree in Colorado Springs. His topic was "Jamboree City Gateways" and the gateway for Jamboree Troop 63 of the local (Mt. Diablo) council for which he was junior assistant scoutmaster, was set up in the doorway so that Rotarians had the unique experience of passing through.

The enormous, ceiling-high structure is in the shape of a devil — American Indian style. It's open mouth forms the doorway with a baffle formed by the back of the mouth with lolling tongue and sharp menacing teeth. At the Jamboree George kept a supply of smoke-making chemicals burning behind the nostrils so that the creature appeared to be breathing smoke — if not fire.

The camp was located right at the end of the Jamboree City bus line and it was one of the most photographed gateways at the Jamboree. Albany's city seal mounted on a plywood plaque, was prominently displayed along with seals of other cities with scouts in the troop, putting Albany "on the map" as it were.

## Novice Tennis Tournament At Memorial Park

Entry forms may be obtained at any park or at the Recreation Department office, 1041 Solano Avenue.

## Albany Pre-school Graduation Party Tomorrow At 3

In keeping with Mrs. Curran's recent trip to our newest state, a Hawaiian theme will prevail at the party which will follow the traditional visit to the Albany Fire Station. Contributing their efforts and talents towards the party are: Mrs. Annette Allen, President of the Albany Preschool Mothers' Club, and Mesdames Lillian Ball, Galina Bledsoe, Barbara Fahmie, Miriam Gershenson, Louise Lee, Eve Haller, Barbara Sherman, Mary Smith and Margaret Watkin.

## Scout Troop 12 To Open New Year of Activity

Boy Scout Troop 12 of Albany will open a new year of activity at 7:15 p.m., Tuesday at Marin School. Meetings were discontinued during the summer vacation but more than 20 Scouts attended summer camp.

Two junior assistant scoutmasters have been added to the Troop's leaders for the coming year. They are Jeff Foott and Doug Eaton. Both are Eagle Scouts and served terms as senior patrol leader of the troop.

Richard Ostrov will assume the duties of senior patrol leader, assisted by the following troop officers: Jerry Foott, assistant senior patrol leader; Larry Calais, quartermaster; Fred Hendrickson, scribe; Roger Birch, librarian; Michael Still, chaplain; Bill Amsbaugh, bugler; and Stanley Birch, Larry Eeaton, Gerald Gordon and Bill Porter, patrol leaders.

Scoutmaster Frank Birch says meetings will be held each Tuesday evening at Marin School. Training trips, overnight camping excursions, courts of honor and other activities are on the troop calendar for the year.

A Leading Banker Speaks About Better-than-ever U.S. Savings Bonds

"THE American Bankers Association has once again pledged vigorous support of the U.S. Savings Bonds program as an essential part of good Federal debt management. The encouragement of thrift, in all forms, is to the direct advantage of every financial institution and of the nation. America *needs* more savings, more thrifty families.

"The nation's bankers have long appreciated the value of the Bond program, and have given it consistent support. We approve the new, more liberal terms which apply to both new Bonds and old. We will continue to help our country, our customers and our communities by promoting and selling U.S. Savings Bonds—*now* better than ever.

"We bankers value our customers' faith in our financial judgment and, therefore, exercise extreme care in giving advice. But we need never hesitate to advise our customers to buy and hold U.S. Savings Bonds."
